CLAPPER BOX

East of the Sun Performance by

Fetch Theatre Co—2pm in the Priory

A fun and interactive street puppet theatre booth experience...with popcorn! Adults and children can take part in the activity.

BOOK FAIR

Come and join us in the storytelling marquee for a day of talks and activities. In the cosy children's book corner, local children's authors will be reading from their books and a local historian will be teaching kids how to speak the secret language of the Cleve hills. Courtyard and Bromyard Youth Theatres will also be performing as characters from favourite children's books. For adults, there will be discussions with a panel of local authors on the genres of fantasy, romance and memoir. While a local editor and a creative writing lecturer will be answering all your questions on how to write a book and on publishing it. There will also be a pop-up bookshop selling books by local authors.

DOG SHOW

During the day there will be a fun and interactive Dog Show.

Hereford and Worcester Animal Rescue is a small independent organisation dedicated to help dogs in need.

Red Ridge 2017

Red Ridge was fun! Rob (the instructor) helped us stay safe. It was so cool because we all climbed up a cliff and we abseiled down (we looked like spys). Making our sandwiches was different but it was good, trying to get to sleep was hard! Pepa

Red Ridge was a blast! You get to do rock climbing and abseiling. I loved rock climbing, it was scary but so much fun and at the top you get to wave to your friends.

Emily

I think Red Ridge was fantastic and I loved it all but my favourite thing was the zip wire and abseiling. I liked the zip wire even though I once broke my wrist on one once and so I hadn't been on one for a while so I loved it! The abseiling was tons of fun. The food was delicious and the disco was great.

Chloe

My favourite part of Red Ridge was the real rock climbing and abseiling. I also liked making Nutella sandwiches and cucumber, cheese and tuna sandwiches.

Alesha

When we arrived we were shown into our rooms. We did some climbing and abseiling. The next day we went in tiny caves and they were overloaded with copper. I loved climbing as we had so much fun scrambling up the 11 metre high cliff then abseiled down, I loved it!

Evie-Mae

I loved Red Ridge because of caving, it was amazing. I also really enjoyed abseiling.

Flora

Red Ridge was brilliant! My favourite part was the climbing frame because I made it to the top of the pole. I had two goes on the Tarzan swing and loved the really long zip wire.

Libby

I liked the rock climbing and abseiling because it was real rocks and we did it by our self.

Caeden

My favourite part was the rock climbing because I got all the way to the top. I didn't like it the first time but then I got used to it.

Katie

At Red Ridge I did any activities that were in store for me. The best thing was the zip wire the worst thing was rock climbing and caving. Red Ridge was the best days of my life!

Tasha

I loved Red Ridge, my favourite was abseiling, it was scary and high!

Paige

My favourite part of Red Ridge was abseiling because it was relaxing and caving was really fun.

Christian

I liked Red Ridge because I did stuff I've never done before. My favourite thing was abseiling and the real caving.

Oliver

I enjoyed, orienteering, indoor caving, abseiling and rock climbing, I didn't really like real caving.

Gracie

Red Ridge was the best experience I've had so far because it's a once in a lifetime opportunity. Rock climbing is amazing and I will probably never do it again.

Chloe

I loved Red Ridge because I did things I never thought I would and achieved things I never thought I could. We did lots of dangerous activities but the amazing staff at Red Ridge and the school staff kept us all safe. I would love to do it again.

Gabrielle

Monday, day one at Red Ridge, we collected our luggage and then went to the dining room, this was followed by training and at 9.30pm we went to bed. On Tuesday we went rock climbing, abseiling and caving, bed was at 9.30pm. Wednesday was our last day, we took part in artificial caving and archery, then we got ready to return home.

Faye

I liked making my own sandwiches, my favourite activity at Red Ridge was the caving.—Owen

My favourite activity was caving because you could turn your torch off and then it was pitch black! -

I liked the caving best because I enjoy exploring. We split into groups and we wore helmets with torches on as well as overalls. Alfie

It was fun because we did abseiling, I liked it because it was like floating down a cliff.

Collection

Thank you to everyone that brought in a donation for our refugees collection, what a generous bunch you are! The blankets have already been delivered to France, the clothes have been sorted and are on the way to France and Greece and the cuddly toys have been sent to a local charity that will send them on to Syria. We were especially pleased with the empathy that our pupils showed to the plight of those forced to leave their homes because of war – thank you children.

Green Day

On Friday 9th June we would like the children to wear green and bring in a donation towards "The size of Herefordshire" campaign which is raising money for two rainforest tribes to protect their land. All the children have recently had an assembly about the campaign. Thank you.
