Welcome

Thank you very much to all of you who welcomed us into your homes for home visits. We are getting to know the children and easing them into nursery routines and expectations.

Deputy Head Teacher- Mrs Wargen

What Are We Learning?

This term we will be focusing on making new friends and learning to play together cooperatively. We will be learning to look after our toys in nursery, share and take turns. We will also be learning to organise our own belongings and become increasingly independent. Please make sure all your children's belongings are named.

In nursery we plan topics to capture the children's interests. We link books, rhymes, songs and creative activities to these topics. This term our topics will be Feelings and Faces, Autumn, Farms, Nighttime and Nocturnal Animals and Christmas.

Helping Your Child at Home

You can help your child at home by sharing books and rhymes daily. We will be sending home a book bag and rhyme folder which will have the rhymes we are learning to recite in nursery.

We are practicing scissor and pencil skills at Nursery and here are some activities you could try at home to help strengthen your child's fingers and develop their skills:

Use clothes pegs to clip on a line or the top of a box, container or toilet roll tube.

Thread pasta tubes on string

Snip paper strips, straws and string with child scissors.

If you don't have any scissors we will lend you some.

Please help them to learn to put on and take off their coats (we will help with zips!)

Reminders

Please remember to bring in a pair of named welly boots. Some children do not have spare clothes on their pegs, please bring some in as soon as possible. No squash in drinks bottles please just water. We will give the children fruit every day, so you don't need to provide a snack.
