Dear

Thank you for being fantastic!

Thank you so much for having a Big Pink and for raising £251.39. We're so grateful for your support, and truly appreciate the time and energy you've put into your event to help people affected by breast cancer get the support they need.

It's because of you, and all the wonderful people that were a part of your Big Pink, that we can continue to be there for people affected by breast cancer today. For example, we can give them the specialist information and emotional support they need through our Helpline, so they feel more in control.

Thank you again for supporting us. You're truly making a Big Pink difference.

With warmest wishes,
