Dear Parents/Carers,

Year 2 Farm Day – Wednesday 6th October

In our topic sessions this term we have been learning about 'What farming was like in the past' focusing on how life has changed within living memory.

In order to further enhance the children's learning in this area, we will be holding a 'farm day' in school on Wednesday 6th October. As part of the day, the children will explore traditional methods for making products such as butter and bread and learn to 'milk' a cow. As we will be, hopefully, making our own butter, please could you also send your child to school with a small plastic container. These need to have a secure lid and must be named. The children will also have the opportunity to compare tractors from the past and present. A huge thanks to Mr and Mrs Goode for providing us with these amazing machines!

We hope that this will be a fun day for the children and help to bring their learning to life! We would really like the children to dress up in 'farm' clothes – jeans, shirts, overalls – to help them to really become involved in the day.

We look forward to a great farming experience.

Mrs Eckley-Gardner and Miss Evans
The Year 2 Team
