My Hobby

Outside of School, Miss Salter leads a busy life as you can see below. Miss Salter regularly competes with her dog, Mia, and her horse Milo across the country. Read more from Miss Salter below....

Mia and I had a successful agility competition season last year! A few highlights from the year were qualifying for Grand Finals, having a win at British agility and Iconix agility series, gaining a second at the International Agility Festival and coming third in a Crufts qualifier. On February 10th Mia and I received our winning out certificate moving us up a grade!

Milo and I also had successful year Showjumping gaining four double clears qualifying us for the Dodson and Horrell Championship second rounds, competing at the Manchester Horse of the Year Show Qualifier, placing second and qualifying for Hartpury championships and winning the 95cm, 1.05m and 1.10m classes at Allen's Hill.

It is going to be a busy year this year, but I am looking forward to the show season!

Do you have a Hobby? Let the school office know and we will put your hobby on our school newsletter. We look forward to hearing about what you enjoy doing in your spare time.

Year 4 had an Egyptian day on Friday 14th January. The children dressed up as Egyptians and they moved around the year group. They Mummified a tomato, learned how to write their name in hieroglyphics and produced an Egyptian sunset!

HPA Fest Concert

The performers from HPA FEST 2022 will be performing at our LPS HPA Fest Concert on Tuesday, March 15th 6.00-7.30pm. This will be a fabulous event to showcase the talent we have at LPS and an opportunity for the pupils to see their peers perform. We will have performances from the choir, instrumentalists and poetry readers. The PTA are organising a raffle and refreshments will be available during the interval.

Tickets for this event will go on sale from the school office on Monday March 7th.
