CONGRATULATIONS

Mrs Watts would like to thank everyone at LPS for their kind donations and support for her wing walk back in July. Along with 11 others they raised just over £12,500 for Hope House Children's Hospice. She said, 'it was such an amazing and exhilarating experience.' She even went up for a second go, which included loop the loops and barrel rolls!

Mia from 6HL raised £160.00 for St Michael's Hospice in Hereford after holding a cake sale. Mia decided she wanted to raise some money as St Michael's Hospice had been looking after a poorly friend and neighbour. Mia made cakes and along with donations of cakes from other neighbours sold these during a sunflower competition held at the same time.

Congratulations to Harry of Class 5R. Harry Raised £140 on a cake stall after baking cakes with his Nan to say thank you to the RNLI for trying to save his dog whilst on holiday.

Mrs Davies from the School Office visited London during the weekend of Her Majesty the Queen's funeral. Mrs Davies queued to pay her respects for over fourteen hours overnight to see the Queen lying in state. Mrs Davies said it was an experience she will remember for the rest of her life and that the pageantry of the whole weekend including the state funeral is something our country needs to be extremely proud of.
