

Leominster Primary School: Sports Premium Plan 2017-18 and impact

What is the Sports Premium?

The PE and Sports Premium grant is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The Government has allocated Sports Premium money since 2013-14 to schools.

The funding is jointly provided by the Department for Education, Health and Culture and Media and Sport. It will see money going directly to primary school head teachers to spend on improving the quality of sport and P.E; for 2017-18 each school will receive £16,000 plus an extra £10 per pupil from Years 1 to 6. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools will spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. Examples include additional sport clubs, equipment to support P.E and hiring specialist P.E teachers/qualified sport coaches.

At Leominster Primary School we recognise the contribution of P.E to the health and well-being of the children. In addition, it is considered that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

During 2017-18 we received £20,710 (based on 471 pupils) and used it as follows:

Activity	Cost	Outcomes	Impact
Playground resources (KS1)	£1223	The increased quantity and quality of stock will improve the experiences of the pupils. Extra play equipment for use during lunchtimes will give our pupils the opportunity to keep active and develop/improve skills. Collaborative play will benefit all children developing their ability to share and to be creative in their play.	Purposeful play has increased. Lunch time supervisors have reported that equipment is being used and behaviour has improved.
Additional purchases as required	-	Play equipment will be replaced/replenished as required throughout the year to ensure adequate and safe equipment for the use of pupils throughout the school day and during after school clubs.	
Rugby Affiliation/ Herefordshire FA Affiliation	£30	Affiliation allows our pupils to compete against other schools within the county. This will enable them to develop a real sense of belonging to a community and a desire to compete fairly as part of a team.	Entry into tournaments with various teams taking part. Over 60 children participated in the events.

Swimming	£1200	Supplementary payment to sports coach to support the teaching team during swimming sessions enabling children to become competent, confident swimmers.	Children have had the opportunity to achieve 25m badge. The use of an additional coach helps to progress children's swimming ability to achieve their green badge.
Sports Coach	£5000	<p>A sports coach will continue to work with SEN/MH children who have difficulty accessing sport because of their specific needs. This will work as a platform to improve their physical and social development. Evidence from previous year has shown an increase in confidence and self-esteem and the increased ability of those children to work collaboratively with peers.</p> <p>The provision of daily after school clubs, led by the sports coach, to enable an increase in the number of children participating in a variety of sports including the targeting of Pupil Premium pupils. Children of all abilities will be catered for, encouraging the development of an enjoyment of the participation in sport. Offering a range of clubs will enable all children to join in and experience a new activity. The sports coach will support more able pupils during games lessons to further develop their skills. He will continue to supervise lunch time activities to encouraging children to participate in a variety of games and become more active during the school day. The sports coach will also attend some out of school sporting events.</p>	<p>JE ran several after school clubs from football to multiskills and rugby. These were with different age groups and genders. Many children took part in these clubs and mixed abilities and genders took part.</p> <p>JE also ran multiskills for the targeted children during the school day. These children increased in confidence and had the opportunity to improve their physical and social skills. Horse riding gave children an experience to take part in a new activity and raise self-esteem.</p> <p>JE has supported staff by giving advice and demonstrations throughout the school. JE has also worked with the EYFS team due to them asking for PE advice.</p>
