

# Year 5 Spring Term (1<sup>st</sup> half) Homework

## Topic

### What did the Greeks do for us?

This term our learning challenge is, 'What did the Greeks do for us?'

Last term, we were astounded by the fantastic homework projects children completed ... a huge thanks! We enjoyed sharing these within our classrooms.

So, can we step this up a level again?

Please can you amaze us all again with a piece of homework (e.g. poster, 3D model, leaflet etc) to represent this period of History. We eagerly await to share this half term's homework!

**Due in date:** Friday 11<sup>th</sup> February

## Reading

Please continue to actively encourage and support your child's reading journey by providing them with the time and comfortable space to read for pleasure - and to read with them whenever you can.

Remember to sign their reading record whenever they have read at home (a reminder that this must be at least 3 times a week).

## Maths

Continuing to have a solid knowledge of multiplication and division facts up to 12x12 remains the focus for children to work on at home (as well as at school).

The children love TTRockstars, so please make the most of this resource. Please ask if you can't remember your login details. There are lots of other games and activities online, too - have a go at some games on <https://mathsframe.co.uk/>. You can also verbally test them ... in the car, while cooking tea, anywhere, any time!
