

English

This term we will be learning about characterising speech, looking at using punctuation in speech, expanded noun phrases and adverbials of manner. The children will be writing their own speech based on a Maya Myth.

PE

The children will be participating in Gymnastics (learning a series of jumps, rolls and sequences and working as a team) and Athletics (in preparation for Sports Day).

Music

Throughout the year the children have been learning to play the recorder. We will be continuing to play the notes B, A, G, E, D, F and C confidently. They will also be developing their understanding of reading music.

Maths

In Mathematics this term, we will be following the objectives outlined in the National Curriculum. Our focus for this term will be Area, Fractions and Decimals.

As expected, they will continue to practise their times tables ready for their Multiplication Tables Check in June.

RE

Our R.E question for this term is: what was the impact of the Pentecost?

Year 4 Summer Curriculum

Art

Our Art this term is linked to our topic, the Maya.

PSHE

Our topic this term is Life in Plastic. We will be discussing the effects of single-use plastic on our planet and wildlife and alternative materials we can use to become more environmentally friendly.

History

We will be learning about the Maya, including our exciting, fun-filled Maya day where we will be looking at the Maya calendar, artefacts, maths and a live Q&A! We will also have an afternoon completing Maya Art, with Parents/Carers welcome!

Science

Year 4 will be continuing their Electricity unit, including some exciting investigations into circuits. We will also be looking at 'Living things and their Habitats', discussing a range of animal habitats from different areas in the world.

Computing

The focus in Computing this term will be coding.

French

In French, the children have learnt French greetings and about *my family*. This term's focus will be on *At the Tea room* and *In the classroom*.
