

Dear Parents/Carers,

Welcome back to another exciting term where hopefully things will begin to be more 'normal'. We hope you all had an enjoyable Easter break. The children have started the term with excitement and quickly settled back into school routines. Hopefully the sunshine will soon make more of a regular appearance! Please remember to send a sun hat with your child and apply sunscreen as the weather gets warmer. We do like to get outside as much as possible.

If you have any questions, concerns or suggestions throughout the term please do not hesitate to contact me. As always, thank you for your continued support.

Mrs Eckley-Gardner

Assistant Head for Year 1, Year 2 and Year 3

Homework

Reading remains our priority for homework. Please listen to your child read regularly and ask them questions about what they have read. It is also important for

children to enjoy sharing a book with you so please take every opportunity to read to them, maybe at bedtime or alternate pages when they read to you!

Class teachers may send out homework specifically for your child, please support your child in completing this. We really do value your support.

Reminders

Please help us to keep your children fit and healthy by ensuring they wear their P.E. kit to school on their P.E. days.

3C – Monday and Thursday

3H – Monday and Thursday

3P – Monday and Friday

Children should be bringing their book bag to school every day, which should include their reading book and reading journal. This enables the children to change their books regularly and for us to read any comments you have made in their journals.

What are we learning this term?

We will be learning about 'Why the River Lugg is important' during our topic this term. The children will be exploring the features of a river, study the water cycle, learn about how water is distributed and identify the longest and main rivers in Herefordshire.

In science children will be investigating and learning all about plants and their life cycle.

Weekly P.E. sessions will take place following the P.E. hub scheme with lessons taking place outside in the glorious sunshine.

During our R.E. sessions we will learn about 'What kind of world did Jesus want?'.

Home Learning/Remote Learning

If for some reason your child is unable to attend school (possibly because they are self-isolating), we will be providing home-learning tasks for them to complete. This work will be available on the Year 3 school webpage:

<https://www.leominsterprimaryschool.co.uk/children/year-pages/year-3>

Should the whole class or year group need to isolate then we will be using Purple Mash for remote learning.

Yours sincerely

G. A. Eckley-Gardner

Mrs G. A. Eckley-Gardner
(Assistant Head Year 1, Year 2 and Year 3)
