

Year 5 Autumn Term Homework

Maths

Learn your multiplication tables up to 12×12 . Try to teach someone at home some of the calculations you have been using in class.

English

Read at home at least three times a week.
Try to learn as many of the Year 5 spellings as you can.
These can be found in the middle of your reading record,
or you can ask your teacher for a copy.

Topic

Your task this half term is to research an aspect of **Space**. You could design a poster or leaflet, paint a picture, produce a PowerPoint, make a model, write a biography or even cook something related to these options! The topic is your choice, but you may be inspired by some of the following ideas:

1. Create a Solar System Mobile
2. Moon Crater Experiment
3. Design an Astronaut Training Camp program
4. Design and build a model of a Mars Rover
5. Decorate a cake as a planet
6. Create a fact file or poster.
7. Night Sky Observation Journal
8. Build a Constellation Projector
9. Research your favourite planet
10. Plan a Family Mission to a New Planet 🚀

Due date: Week beginning 7th December 2026. (You may bring it in earlier if it is completed.)
