

Year 6 Autumn Term Homework

Maths

Learn your multiplication tables up to **12 × 12**.

Try to teach someone at home some of the calculations you have been using in class.

English

Read at home at **least three times a week**.

Try to learn as many of the **Year 5/6 spellings** as you can. These can be found in the middle of your reading record, or you can ask your teacher for a copy.

Topic: World War 2

Your task this half term is to research an aspect of **World War II**. You could design a poster or leaflet, paint a picture, produce a PowerPoint, make a model, write a biography or even cook something related to the period! The topic is your choice, but you may be inspired by some of the following ideas:

- Make a gas mask and design a box to put it in.
- Cook a wartime recipe.
- Make a model of an air raid shelter.
- Produce a fact file about World War II aircraft.
- Design a World War II-themed game.
- Write a biography about a significant person from World War II.
- Write a newspaper report about an important event from the period.
- Find out about a famous World War II artist and produce a painting in their style.
- Research clothing from the period.
- Design a poster telling people how to stay safe during a blackout.

Due date: Week beginning **7th December 2026**. (You may bring it in earlier if it is completed.)
