

Year 6 Spring Term Homework

Maths

Learn your multiplication tables up to 12 x 12. Keep using TT Rockstars!

English

Read at least 3 times a week. Parents must sign reading record books 3 times a week, to acknowledge you have read.

Try to learn as many of the year 5/6 spellings. These can be found in the middle of your reading record

Topic: Mountains

Your task this half term is to research an aspect of 'Mountains'. You could design a poster or leaflet, paint a picture, produce a PowerPoint, make a model, write a biography or even cook something related to the topic! What you do is your choice – but you may be inspired by some of the following ideas:-

- Make a model of a volcano
- Research world records involving mountains or volcanoes
- Produce a fact file about a mountain of your choice, or a volcano
- Design a volcano style game
- Write a biography about significant people who have climbed some of the world's highest mountains
- Write a newspaper report about a famous incident or event that has taken place on a mountain
- Find out about any artists who have used mountains in their pictures and produce a painting in their style
- Produce a poster - research survival techniques, clothing worn and food eaten by mountaineers
- Research people who live on some of the world's remote mountains – look at what life is like for them and produce a fact-file

Please only email work into school. Photographs of models or artwork can be emailed too!

Due in date: Week beginning **14th February 2022**
