

Year 5 Summer Term Homework

Maths

Continuing to have a solid knowledge of multiplication and division facts up to 12x12 remains the focus for children to work on at home (as well as at school).

The children love TTRockstars, so please make the most of this resource. Please ask if you can't remember your login details. There are lots of other games and activities online, too - have a go at some games on <https://mathsframe.co.uk/>. You can also verbally test them ... in the car, while cooking tea, anywhere, any time!

English - Reading

Please continue to actively encourage and support your child's reading journey by providing them with the time and comfortable space to read for pleasure - and to read with them whenever you can.

Remember to sign their reading record whenever they have read at home (a reminder that this must be at least 3 times a week). There is a reading prize for the person that wins the reading challenge!

History

What happened when the Romans invaded Britain?

Your task this half term is to produce a piece of work linked to our history topic – What happened when the Romans invaded Britain?

You could complete any of the following ideas or an idea of your own: -

- Get Arty: Design and create your own Mosaic, shield, or helmet.
- Make a poster, leaflet or 3D model on: Life as a gladiator! Or The Rise of Boudicca! Or Building Hadrian's Wall!
- Do a sketch of: A Roman soldier, A Briton/Celt, A Roman God/Goddess, The Colosseum.
- Create a PowerPoint on the Roman invasion of Britain.

Due in date: Week beginning **Monday 6th June 2022**
