

Dear Parents/Carers,

BikeRight! will soon be coming to your child's school to run a Bikeability course which your child has the opportunity to take part in. Listed below are details of the course and what your child will need to be able to take part.

What is Bikeability?

Bikeability is the new Cycling Proficiency for the 21st century. It's designed to give the next generation the skills and confidence to ride their bikes on today's roads. We will teach children to ride a bike to National Standards and introduce them to cycling as an everyday, fun, healthy activity and an alternative mode of transport.

How much will it cost?

Nothing! The course is funded by your Local Authority and Department for Transport grants.

Where will the course take place?

The course will take place in the school playground and on local roads near to the school. We will carry out a risk assessment of the training areas before the start of the course. A copy of the risk assessment will be available at the school.

What will my child need?

- **The ability to ride a bike unaided.**
- **Consent - please use the booking link below**
- **A Helmet**
- **Appropriate clothing.** It is important, especially during the cooler months, that children wear gloves and warm, dry clothing as they will be outside all day.
- **A bike which is road worthy.** Please follow the simple guide below to check whether your child's bike is suitable. See law on the use of Ebikes <https://www.gov.uk/electric-bike-rules>

Please note that children cannot take part if their bikes are considered unsafe.

BikeRight!
